Telecommunications Equipment

## CERTIFICATE OF CONFORMANCE

Certificate Number: 3021245-002

RENDERED TO  
Hosiwell Technology Co., Ltd  
79 Moo 5 T. Bangsamuk, A. Bangpakong Chachoengsao  
24180, Thailand

### Specimen Description

Component ID	Manufacturer	Description	Part Number
1, 5	Hosiwell	Equipment Cord	UTP-2404M-20-B
2	Hosiwell	Wall Outlet	MA-RJ45UA-X
3	Hosiwell	Horizontal Cable	2404P CMR
4	Hosiwell	Patch Panel	PL5-W48A4

The product has been tested and found to comply with the applicable electrical transmission characteristics specified in TIA/EIA-568-B.2-1 Category 6

This certificate, supported by your participation in ETL Channel Verification Program, is authorization to apply the ETL Verification Mark.

Product package marking shall include: ETL Verified to: TIA/EIA-568-B.2-1 Cat. 6. The ETL Verified Logo may also appear on the product.

Continuing compliance to this specification is monitored through production testing, quarterly inspections by ETL at the production facility and random sample testing.

Certificate Issued By:
